

The Chosen

Season 3, Episode 6

Intensity in Tent City

Discipleship involves both joy and struggle, and Jesus calls us to bear one another's burdens in faith and love.

As Jesus' following grows, so do the logistical challenges of caring for the many who gather around Him. Tensions rise among the disciples as exhaustion, responsibilities, and conflicting expectations weigh heavily. This episode highlights both the joy and the strain of life in community when centered around Jesus' ministry.
